Prayer is one of the most basic elements of a life of faith, but it isn't always easy to do. Though we're taught that prayer is a "conversation," we often feel as if the conversation is completely one-sided. Join us for a **six-week study** on learning how to deepen our prayer life.

Lectio: Prayer will start **April 27 at 7:00 PM** in the Cathedral clubroom. Contact Cassandra Ursu at cassandra.ursu@gmail.com for more information.

Stewardship Bulletin Bit – April 2, 2017 – 5th

Sunday of Lent. *"Jesus said to her, 'Did I not tell you that if you believe you will see the glory of God?'" John 11:40* Many of us say that we believe in God. We go to church on Sunday. We volunteer for events at our parish. But when life gets hard, the pressure is on, things aren't going our way, do we really believe, do we really put our trust in the Lord? When we live a life of gratitude, being thankful for the gifts we have been given, we really do see that God is providing all that we need.

A **Ballot** represents the power women have in the political arena as voters, candidates and elected officials. Many of D & P's partners, like the National Episcopal Conference of the Democratic Republic of the Congo (DRC), have instituted programs to educate citizens on their rights and responsibilities as voters and to encourage full participation in the electoral process.

Today is Solidarity Sunday, the one Sunday in the year when the Canadian Conference of Catholic Bishops and the Canadian Organization for Development and Peace ask for financial support for the work that D&P does around the world. Please give generously.

Euthanasia and Physician-Assisted Dying 2 This week on Thinking Faith! We are continuing our two-part series on *Euthanasia and Physician-assisted dying* begun last week. This is part two of a talk Brett gave to the Unitarian Fellowship here in Regina. As mentioned last week, if you find the prospect of speaking to friends, neighbors and family members who may not agree with you about these issues intimidating, these episodes will be a great help! This one starts off with a great tip...when in doubt, look for an appropriate Star Trek reference!
