*"Everyone who drinks this water will be thirsty again."*  
*John 4:13* Jesus reminds us that material things, even something as basic as water, can never satisfy us for long. When we build our lives around material possessions we always want more. True Joy and Peace only comes when we follow Jesus; when we become more "God-centered" and less "self-centered".

A WATER JUG symbolizes the 40 billion hours that women and girls in sub-Saharan Africa spend each year collecting water for their families. Development and Peace works to make water more accessible for the woman and girls to fetch the water to their communities. In northeastern Somalia, D&P provided funding to build covers for rainwater storage tanks to prevent evaporation and contamination of the water. Thirty-five thousand people have improvised access to fresh water because of this project.
